Donald Wyman, 20, Ryan Fisk, 19, Travis Johnston, 18, and Blake VanNest, 18 (The Smoking Gun)

NEW YORK (CBS) Four ruthless young men promised a 14-year-old boy they would stop picking on him if he let them tattoo his buttocks with an image of a penis and the words "poop d**k" -- and then they proceeded to do exactly that, say police.

According to [The Smoking Gun](#), a New Hampshire boy was enticed to a Concord home on May 10, where three Concord High School students and one former student warned the teen that he'd be getting the tattoo "whether he liked it or not," said investigators.

Investigators said the boy asked what would happen if he tried to flee and the bullies told him they'd catch him and

beat him up, reported the website.

The victim, a ninth grader, has been "frequently targeted for ridicule by upper classmen," investigators said, according to The Smoking Gun. They said the victim suffers from "learning disabilities and self-esteem issues."

Police have arrested the four suspects, Donald Wyman, 20, Ryan Fisk, 19, Travis Johnston, 18, and Blake VanNest, 18. A fifth attacker, who is 15, is also expected to be charged.

The alleged bullies are charged with numerous crimes, including assault, endangering the welfare of a minor, criminal threatening, and tattooing without a license, says the website.

They should line these bullies up, shoot them with pellet guns and tattoo "idiot" on their forehead.

they had a clip of the mother of one of the boys on the early show. she seems to think that it was ok for the boys to do what they did. they didn't mean to be horrible. they just thought it was funny.

what is wrong with the woman? was she one of those b*s in high school who bullied anyone she could? is this genetic?

You're right, what's wrong with this woman??? Maybe she can have those same boys do it to her, I'm sure she'll like it!!! But a 9-year old boy, come on now! You know what, go afer these boy's parents and get them where it hurts, their precious time and their money - take them to court as well and charge them for what their sons are doing, the lets see if this mother thinks THAT'S OK!!!

by maccount May 25, 2010 1:35 PM EDT

Sorry, did I say 9 year-old-boy, I meant 14 year-old boy, but regardless, you just don't do this kind of stuff to anyone - and again, I question the parents in all of this - they have to know their own sons!!!

by Shticky May 24, 2010 5:17 PM EDT

I hope all four of those morons get "poop d***ed" in prison!

What I can not understand is the able bodied picking on a sp needs person..I am a sp needs person..To answer a poster..I write my own words,,True alot of ye have better command of the word than i..I realise I can't spell that well..

I have seem years ago whites picking on a black child..The bus driver hitting the child in the belly..I was appalled and floored,,In was in the spring of 70. I was pissed..I am white and legally blind..I heard the n word from the lips of my senior foster mother..I had no idea what it meant..I asked the child to sit with me..He was 10. So the boys started with me..I was called the n word..I told them to shut up..Then on the boy sat with me..He did not see me in the fall as I was moved to a different foster home..I was 10 when I stated school for the first time..In sp ed..There was a boy in class that messed himself the made each classmate kick him..I would not..I was more appalled with the adults who knew right from wrong and showed me they were no different than the the bullies..I member the boys came first in school things.I did have a large reader for 1 day..A boy whined over it..He said I want the same reader Barbara use,,The nextday the sp books were gone and replaced with reg print useless print..I was barred from abring tools that would have helped,,I am grateful for a person that cared to help me get a computer so we can share and make a differce..I am childless..We need as a people we can ask why..It goes deeper..We as a people have stopped caring about one other..What those teens did is wrong..Who is the blame..Their caregivers..We will send them to prisom..They will not learn a thing from it..There are people that don't care about themselves..Why bullys..We have been bullied..Some sp needs persons can't push back..The abled bodid knows this..A big kid picking on a younger one etc..Some blame the tech items..Some come from poor homes..There are young children that boss their care givers around..Little boys more so..I seen a little girl throw herself to the floor while her Mum just watched..A chind yelling at the top of the lungs..WhenI was small I was put in one place as they knew I could not walk..I was a safe one..We have young people loss..They are bored..There is little for them..They turn to crime as they know it better than the streets,,We have more homeless..It cost more to live today..It was better when I was young..I was not allowed to watch TV. America needs to take care of us here at home first..I was told this be a great nation when I was young..America is too busy..The kids have no future and hopeless..How must we deal with bullys,gangs,well there are answers to it..It takes money and teaching them ..All they have to look forward to is military, the streets prison..

Just 4 losers that will never amount to anything.

NO PLEA BARGAINS for this despicable crime. These four should be thrown in prison with the pedophiles...I wonder how much they'll like bullying then?

But, the investigators say the 9th grader "has frequently been targeted for ridicule by upper classmen." Which means school authorities, and very likely, the boy's parents, knew this harrassment was going on. Why are they not being held accountable? The school, at least, is partially responsible for allowing this youngster to be tormented. Justice for everyone please.

What they did was tantamount to rape. The same idea of power over the victim. As far as I'm concerned it was definitely sexual assault, and not just mere bullying.
